

LADIES ONLY – TAHITI – Departing Canada November 9, 2019

Join Christine Ward, Vulcan Vacations, on this LADIES ONLY trip
to the tropical paradise of Tahiti.

Formed when half of a monolithic volcano crumbled to the blue-green sea, **Moorea** is an achingly exquisite, heart-shaped island that is simply paradise found. Imagine yourself on the legendary mountain at Belvedere Lookout with a panoramic view of magnificent Opunohu & Cook's bays, and viewing the pineapple fields along the scenic coastline. Stay at the Hotel Manava Beach Resort in a garden plunge pool bungalow, and attend a Polynesian Show, rich in folklore and mythology.

Bora Bora Island, the "Pearl of the Pacific" is one of the most magical and beautiful islands in the world, where the water is turquoise, sand is soft and as white as snow, the sun is shining and there is constant warm tropical weather. Time stops when you are surrounded by the natural beauty of this tiny jewel on the blue canvas of the Pacific. Communicate with nature on a shark & ray feeding excursion, and then relax in your overwater bungalow, or swim in the crystal-clear water, glistening with shades of sapphire, emerald and turquoise.
